6. Fishing vessels were moored at the refrigeration plant.
7. The Soviet liner ROSSIYA was anchored in the port.
8. Naval vessels in the port consisted of an unknown number of coastal patrol vessels, each armed with one [redacted] gun forward, and three or four motorboats, which were observed on one occasion laying a smoke screen in Novorossiysk Bay. The coastal patrol vessels berthed at a small jetty west of the grain pier. The motorboats anchored between the coasting mole and the western mole. 25X1
